HOSPITALITY RESOURCES

PRESENTS:

ARCHITESSA

A DIGITAL COMPANION FOR YOUR LIBRARY'S ARCHITESSA HOSPITALITY BOX "A"

HOSPITALITY RESOURCES

Thank you for including our Architessa Hospitality Boxes in your library!

The Architessa Hospitality Boxes are a collection of under \$5/SF porcelain field tile, curated and developed by your reps at DeLagom Hospitality Resources. Though similar in concept to Architessa's Multi-Family sample box, we personally chose these collections for inclusion for their beauty, versatility and specific appeal to our California hospitality clientele. They represent some of our favorite Architessa field tile offerings that, we hope you'll agree, reflect both current trends and timeless appeal. All collections are suitable for nearly any application and most include a variety of coordinating decorative tiles, bases, trims, mosaics, pavers, and/or slabs.

While not included in these boxes, Architessa also offers a pre-fabricated shower program as well as a porcelain tabletop & vanity top program. They are also an authorized distributor for Schluter Systems.

#### BOX A (Stone-Look Field Tile)

Consists of 38 tile collections, each represented by a single sample in a mid/beige/cream colorway. This is a go-to box for guestrooms, restrooms and larger public spaces for virtually any job. It consists of a variety of looks, from limestone to travertine, quartzite, concrete & cement, slate, and even fabric textures. Several collections also offer multiple finish options including grip finishes. You can explore all the color and finish options using the direct links provided.

#### BOX B (Marble-Look & Wood-Look Field Tile)

This box contains 38 of our favorite marble and wood look tile. Wood-look sizes vary by collection but are all planks. Marble-look tile is typically available in a variety of sizes, including some not shown on our website. Many are also available in slabs. Please inquire with us regarding any questions you may have.

Reach out to DeLagom for even more under \$5 solutions, options *above* the \$5/SF mark and for any questions, pricing, custom inquiries, library updates, or additional samples. And of course, be sure to explore Architessa's vast library of beautiful decorative tile, natural stone & marble, and LVT, Natural Wood much, much more at [www.Architessa.com](http://www.Architessa.com).

Thank you!  
Jeromy & Ceci

*\*Under \$5 pricing based on 1 carton of 12x24 size field tile in the color and finish in the box. Larger volume orders may result in additional reduction in price. Does not apply to coordinating trims, decorative tiles, mosaics, etc. Alternate size, finish, and/or Color selections may increase the price above \$5/SF. Prices subject to change without notice.*
